ArtEZ Platform for Research Interventions of the Arts

## Submission Form Open Call

The APRIA platform has an advisory board in which various teachers, students and alumni of ArtEZ are represented. For 2021-2022 they are Caroline Barmantlo (lecturer at Bachelor Theatre in Education Zwolle), Tabea Nixdorff (alumna of Werkplaats Typografie), Cassandra Onck (researcher at AeCT professorship, Arnhem), Liza Rinkema Rapuš (student at DAI), Hanka van der Voet (head of Master Fashion Strategy, Arnhem) and Agnieszka Wolodźko (lecturer and researcher at AKI academy of Art and Design, Enschede). Every year, the advisory board issues an Open Call in which it appeals to the ArtEZ community, artistic researchers and artists to contribute. Each Open Call has a theme that resonates with current developments in art, science and society and which ties in with the [APRIA statement](#). Submissions for the Open Call will be judged by the advisory board. This involves looking at how the contributions tie in with the theme of the Open Call, the urgency and the substantive and/or artistic quality.

With the APRIA Open Call, we invite established researchers and artists, but emphatically also beginning researchers and makers to contribute. This can be done in very different forms: from article to image essay, podcast or video. The advisory board assesses the contributions and, where necessary, also provides support and guidance in publishing the contributions. If you submit a contribution for the Open Call, please fill out the form below completely and add it as an attachment to your submission.
